## NOVEMBER 2013

MINISTRY FOCUS: PERSONAL MINISTRY

ISSUE NO: 17

## Sewing God

By Mary Douglas

*Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.*

*1 Peter 4 : 10*

Most of us know that we should serve God. Over and over the Bible tells us that we should be using the gifts and talents that God has given us to serve the Body of Christ. It is only as each believer plays his or her part that the Church can operate in the way that God intends it to.

Here, at Cornerstone, every believer is encouraged to find out the area of ministry that suits them best and allows them to develop and use their God given abilities.

A "personal ministries" booklet has been prepared that explains the current ministries at Cornerstone and the commitment and responsibilities that are required to serve in these ministries.

In addition to this booklet there is an up to date list of ministries and overseers on the Church notice board. If you would like to become involved in a ministry or just find out about the opportunities available for service, please ask at the Admin desk for a booklet or contact Mary Douglas who will be happy to help you.

Note : Due to an increasing number of children in the fellowship, more helpers are needed urgently to help in the crèche and Bible Club. Please consider if you would like to serve in any of these areas.

There will be a St Andrews Day Men's Conference on Saturday, 30th Nov, 9.30 am till 3.00 pm in Cornerstone. Robbie Muir is the contact for anyone who would like

to come along, The conference is free although an offering will be uplifted to cover costs.

It will launch a year of prayer for the nation called **The StAnd** – starting 30 November for one year. People prayed across the UK in 2012 under the “Kingdom Come” banner linking with the Olympics - now it's our turn in 2014.

Prayer makes a difference. Jesus tells us to pray. Prayer is the foundation of Alpha's effectiveness. What prayer stand could you take through 2014?
