The Spiritual Discipline of Prayer

Praying is a spiritual discipline which every Christian must practice as a habit. It is God's will that we intercede for one another. Pray for humility, a repentant heart, and a surrendered life not just for yourself but for others as well. Commit to start praying for others today.

Prayer is an attitude of dependence on God's will and awareness of His presence. We need the spiritual discipline of prayer to become more and more like Christ (1 Timothy 4:7).

We usually pray for ourselves and our family but we must also practice praying for others including our pastor, small group members, office boss, officemates, classmates, government officials, and even strangers that we encounter. We do not only pray when there is a problem but we also need to practice pre-emptive prayer even before problems come.

Loving in real knowledge is putting God first above all. It is not pursuing happiness but holiness. To grow in love is to love God with all our heart, mind and soul. It is letting God override our will with His will

C.A.P. COURSE UPDATE

David Delaet and Mary Douglas went on the air at Revival Radio on January 29 to promote the CAP course. They disclosed that the current course is going well. Someone who benefited from the Bethlehem House of Bread Ministry came along to see how the CAP principles can be a great help in effective money management. There will be a sign up sheet at the Admin Desk for anyone who wants to attend the next course. (Date to be arranged.)

On the 8th of February, CAP will to deliver the course to the Princes Trust youth group who meet in Cornerstone during the day. We are also planning to deliver it to Cornerstones own youth group soon. So watch out for this!

Cornerstone's

All Welcome!

LOOKING FOR VOLUNTEERS

Cornerstones' Reception and Library are looking for more volunteers. We are thinking of moving the phone out to the Library desk so that the reception and library duty could be combined, meaning that both would be covered for more times.

We will also be distributing leaflets to the people coming in and out of Cornerstone House to raise the awareness of the different ministries we have to serve the community. If you are interested in being a part of this, please see Mary Douglas.

Let us make a difference in the lives of the people in our community for the glory of our Lord Jesus Christ!

WANTED: OLD MOBILE PHONES

Margaret Muir is collecting old mobile phones for charity. If you have any that you are no longer using, please hand them to her or to the Admin desk. Your generosity will be very much appreciated!

Margaret Muir's House Group in keeping with their remit of being in practical ministry, are making themselves available to be of practical assistance to anyone in the Fellowship. Please don't hesitate to see her or approach anyone in their House Group.
