Cornerstone steps up on the Building Fund

MAKE THE
MONEY
GO FURTHER

giftaid it

To encourage this Mary Douglas has been asked to make sure everyone's details are up to date, so you may get a visit from her.

Many thanks for your continued support that allows us to be a major ministry in Cumbernauld to glorify our amazing God.

- Pastor Alan Welsh

A couple of weeks ago I mentioned the marvellous news in regards to the Lease and Service charge for Cornerstone House, this is a major step forward for us in the fellowship to secure our future here to serve the community.

I mentioned about encouraging giving towards the building fund to help support the shortfall, which will be alongside the other two elements of finance from the centre and the cafe. One of the major supports to our giving is through Gift Aid which we would encourage all taxpayers within the fellowship to sign up for. As an example, in 2012, the Gift Aid claimed back for that year was £12,856. As you can imagine we are keen to claim back all monies due.

Leslyanne Wrey has an updated version of the Gift Aid form which will be available from her or the admin desk on Sundays.

SPRING CLEANING, ALL HANDS ON DECK!

Cornerstone House is looking for volunteers on Monday 7th and/or Tuesday 8th April, mornings and/or evenings to help clean and maintain the premises while the lets are off during the School holidays.

We do not get many opportunities for this due to the continual use of our building, so if you are available there will be something for all to do! Please give your name at the Admin Desk.

The LIBRARY....

Cornerstone Library now offers a collect/drop-off service to those in the community who can't get out. So if you know of anyone "shut-in" let them know. They can access the stock catalogue at <http://cornerstonelibrary.btck.co.uk/> and e-mail requests to: library@cornerstone-house.org.uk. We are also willing to provide some stock to care homes etc. which we will drop off and collect on a regular basis.

F.Y.I.
