## Happy New Year!

### From The Pastor:

Ordinary people!

With a New Year before us, I wonder what you are looking forward to in 2015!

Will this just be another year with nothing out of the ordinary happening, will we settle for the same old routine, or are you expecting something more from God?

I was encouraged by a scripture that helped me focus on what God can do through ordinary people like you and I, I'm sure we can often look around us and consider others more able, more gifted or more talented, but that's not how our wonderful God views us:

*James 5: 17 "Elijah was a man just like us".*

If you look at the amazing things that God achieved through Elijah the prophet, He asked God to cause a drought, then three and a half years later asked for the rain to fall again, he restored someone to life, he called down fire on a sacrifice and divided the waters of the Jordan and more.....

Can you believe this is a man just like us! Be encouraged this year that our God uses ordinary people to do extraordinary things, I pray that this will be an extraordinary year for each of us personally and for the church that it may all be for His glory.

We may see ourselves as ordinary people, God doesn't.

### Shoe Box Appeal

Cornerstone collected 78 shoe boxes for Christmas 2014 shoebox appeal. These boxes went to Syria and Belarus. Thank you very much for your generosity! You've made a lot of children happy this Christmas!

### Christmas Comes to Bethlehem!

Bethlehem distributed approximately 120 Christmas parcels to the needy of Cumbernauld on 21st December. There were several parcels left over after distribution so the fellowship benefitted from the abundant blessing!
