Alpha

Cornerstone so spread the word! Alpha is a non-pressurised, fun and informative course. It is a place to share your thoughts, questions and explore the meaning of life.

Life for many people can be very bewildering and Alpha has helped many participants make sense of it. Each evening begins with a meal followed by interactive elements. All are welcome so please invite friends, neighbours to come along. For details, speak to Shaun Pirie.

HOUSE GROUPS RE-LAUNCHED

All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer. (Acts 2:42)

With autumn just around the corner, the house-groups which meet in various locations and on different days and times have begun again. We encourage everyone to link into house groups as they provide fellowship, teaching and support in ways not possible for us to provide at Fellowship level. It's not too late to join one if you are interested, just contact Susan or Isabelle for details.

From the Corner....

by Tom Muir

In Paul's final instructions to the Romans, he makes an appeal to watch out for people who would cause division, seeing clearly what is right and avoiding what is wrong. How easy is that to do? Well, here's a little guide I hope it helps you like it helps me:

What is not good is evil;
What is not evil is good;
What is good is not evil;
What is evil is not good.

God bless!

Romans 16:17-20: ¹⁷I urge you, brothers and sisters, to watch out for those who cause divisions and put obstacles in your way that are contrary to the teaching you have learned. Keep away from them. ¹⁸For such people are not serving our Lord Christ, but their own appetites. By smooth talk and flattery they deceive the minds of naive people. ¹⁹Everyone has heard about your obedience, so I rejoice because of you; but I want you to be wise about what is good, and innocent about what is evil. ²⁰The God of peace will soon crush Satan under your feet.

The grace of our Lord Jesus be with you.
