Joint Church Prayer Event

The ministers of different Christian churches in Cumbernauld have arranged a Joint Prayer Event to pray for the coming General Elections on the 7th of May 2015.

The Prayer Event will be held at Carbrain Baptist church on Wednesday, 6th May at 7.30 pm (day before the Election). The House Groups will be cancelled to give everyone the opportunity to encourage as many as possible to attend.

There will be 8 topics covered by representatives of Cumbernauld & Kilsyth churches. These topics will not be focusing on any individual political party. It will be an evening of prayer, worship and seeking the face of God during this crucial time in our political history.

Refreshments will be served afterwards.

Please take time to browse through our many resources.. Seats are available if you want just to pass the time by reading a book. If you wish to take out a book to read home, please speak with anybody at the Reception.

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.

Bethel School of Ministry Comes to *Scotland*

On March 24, a Team from the Bethel School of Mission from Redding, California were led to come to Scotland – out of a choice of 70 mission countries. God has laid in their hearts to encourage and pray over the people in Scotland. The team will be travelling between Glasgow, Edinburgh, Perth.

The night started off with praise and worship then the Team members were introduced. Then they started calling off word of knowledge for specific people in the audience. Then each of the members spoke a word of encouragement / testimony / visions as follows:

- God loves us and has a special plan for our lives. He knew us even before we were born.
- God loves Scotland. He is singing a sweet song calling Scotland back to Him.
- Jesus has come to set us free from bondages. He has come for those looking for belonging or acceptance.
- God is speaking to married couples as well – that He wants to fortify the links that bind them together – for couples not to give up on their marriages but let God heal them instead.

The group then came up on stage and called out different ailments that the Lord wanted to heal – migraines, shoulder pains, swollen ankles, etc... Then they asked these people to stand up and the folks around them to lay hands and pray over them. After which, they came up in front and testified what God has done.

Bethlehem House Of Bread opened a new food bank in the Parish Church Cumbernauld Village on the 10th of April 2015 to extend help to people who are struggling at this time in that area. They wish to say a big “Thank You!” to Mr. Ashram Ali of the Gothenburg Convenience Store and the Nisa group who donated 70 loaves of bread to the food bank.

Sincere gratitude also to folks who leave stuff at the new Food shed inside Cornerstone House. God richly bless you!

A great big thank you to Victor Jordan and Liam from Cumbernauld against Poverty who collected 196 bags of groceries from the generous supporters at Celtic Park and delivered it to the food bank for us. Thank you to all who donated the bags Glasgow has a heart for the poor.
