come together in the church—
both in emphasis and in
experience—it will be the
happiest event in many years.
I believe this is God's heart."

Excerpts from Smith Wigglesworth's 1947 Prophetic Word: On the Coming Move of the Holy Spirit (from Pray For Scotland website)

TWO DISTINCT MOVES

During the next few decades there will be two distinct moves of the Holy Spirit across the church in Great Britain. The first move will affect every church that is open to receive it and will be characterized by a restoration of the baptism and gifts of the Holy Spirit. The second move of the Holy Spirit will result in people leaving historic churches and planting new churches. In the duration of each of these moves, the people who are involved will say 'This is the great revival'. But the Lord says 'No, neither is this the great revival but both are steps towards it.

When the Word and the Spirit come together, there will be the biggest movement of the Holy Spirit that the nation, and indeed the world, has ever seen. It will mark the beginning of a revival that will eclipse anything that has been witnessed within these shores, even the Wesleyan and the Welsh revivals of former years. The outpouring of God's Spirit will flow over from the UK to the mainland of Europe, and from there will begin a missionary move to the ends of the earth.

Then Brother Wigglesworth continued, "I see another move of God. I see auditoriums full of people, coming with notebooks. There will be a wave of teaching on faith and healing." We did experience that wave he saw, and we call it the Word of Faith movement.

Then he prophesied, "After that, after the third wave," he started sobbing. "I see the last day revival that's going to usher in the precious fruit of the earth. It will be the greatest revival this world has ever seen! It's going to be a wave of the gifts of the Spirit. The ministry gifts will be flowing on this planet earth. I see hospitals being emptied out, and they will bring the sick to the churches where they allow the Holy Ghost to move."

Update on:

Bethlehem House of Bread Food Bank

Bethlehem House thanks Susanne Hamilton from Freedom City Church in Cumbernauld and Trussel Trust Tesco's Customers who donated goods to the food bank.

A special thanks also to Recap Cumbernauld who picked up and delivered 1460.24 kg. of food for us. This will be a great help in the winter months to come

Cornerstone Ladies Spa Day

A group of ladies from Cornerstone met up for some pampering and fellowship day at Stobo Castle in the Scottish Border in Peebleshire and returned refreshed, re-charged and revitalized!

"All the ladies who went to Stobo Castle this month for an overnight stay, agreed that it was a great time of fun, fellowship, and wonderful food in a lovely setting," Mary Douglas said. They are all planning on a return visit next year and hope that more ladies will join them. Although it is expensive, it is a lovely treat, and they are thinking of some ways of raising some money so that it is not quite so expensive.

Watch out for more information becoming available in the near future!
