Cornerstone Creche

The children in the crèche are learning about the Good Samaritan and how God also wants us to help others including our families. We all share ways we can help each other - eg helping mummy with dishes, help mummy brush the floor, put our toys away, put our dirty clothes in the laundry basket, look after our grandchildren, etc.

So we are looking at other ways of helping others and have decided we are going to make gifts for Christmas eg tree decorations, gift bags, recycle shopping bags and lots of other things. Then hopefully on Sunday 27th November we are going to display them all and the children would like to

invite everyone in church to come and pick some things and leave a donation - there will be no prices but ask for donation for each item taken. All the children in crèche will be involved including our toddlers who will be making things too. Once we collect our donations the children will decide (with our help) who or what charity will be gifted with the money raised. The children will be Good Samaritans just as God teaches us. Please support the children in this by gifting a small donation when we display our work.

Also the children and ourselves invite you to come in and see what we are doing in crèche. We have story boards hanging up telling you about what we are learning. Our boards at the moment are about David and Goliath which we learned about last month and we are doing new story boards about the Good Samaritan. The children are so enthusiastic and it's contagious so please come in and catch the enthusiasm !!!!

Thanks

Marie, Elaine, Kirsty and Jeanette
