**ADMISSION: PAY WHAT YOU
WANT ON EXIT**

Who is God to you?

On Sunday 9th July I began a new series of Teaching, looking at the **Character of God**, It began with a question “**Who is God to you?**”

Taking the example from **2 Samuel 22: 1-4** where King David expresses that God is “His Rock, His Fortress, His Deliverer and His focus of Worship”, using imagery like this can be a great source of help, strength and comfort to us in every aspect of our lives.

I wonder what image of God helps you in times of difficulty, or lifts your spirit to help bring your focus back to the Lord?

I was greatly encouraged at the end of the service when Betty Hutchinson shared with me that the image she carries to help her is: The Lord as her Shepherd. When you consider all that a shepherd does, you can understand why such imagery can be comforting. A Shepherd is a person who tends, guides, feeds, guards and watches over his sheep.

There is no end to the imagery we find in scripture that can and will sustain us, look to the Lord to lay on your heart an aspect of God’s character that will keep you close to Him.

Will He be your Shepherd, your Rock, your Fortress?
