Issue No: 6

December 2012

Advent has started! Let's fix our eyes on Jesus, the Messiah and prepare our hearts to celebrate His birth this Christmas and the advent of His second coming as Jesus the Christ, Our Lord and King of Glory!

From the Corner

By Lesley Anne Wray

For God loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. God sent his Son into the world not to judge the world, but to save the world through him – John 3 v16-17 :-

The above verses are not the most common or obvious verses for this time of year but it is one I have been reading time and time again over the last few months.

I have come to realise this as a verse for everyday not just to reflect on God's love for each of us but for all those we come into contact with each day – family, neighbour, work colleague. Do we apply the above thoughts of how much God loves them to our dealings with people we find difficult to get on with?"

The challenge I have had is how important the Cross is in my daily life and it isn't just to be thought about at Easter or Communion. Christmas can be a difficult time of year for some due to loss of loved ones, broken relationships, loss of job

and the challenge for us is to bring God's love into these situations.

You may remember the saying for this time of year in a particular advert 'a puppy is not just for Christmas'. How about '**Jesus is not just for Christmas**'!!

May we bring peace, love and joy into the lives of people not just this Christmas but for the year ahead.

New Admin Centre Formed

A new ministry team has recently been established in Cornerstone to take care of administrative tasks and offer an information service on Sunday mornings. The area just outside the sanctuary has been set aside for this new service and there will be a desk where you can come for information, leaflets, tithing, envelopes, lost property or help with any administrative task.

At the desk there will also be trays set aside for Alan, where messages/items can be left or collected. When the centre is fully established a copy of Alan's weekly diary will be on display so that you can plan for a time if you wish to see him during the week.

An email account had also been set up and this can be used to contact any one of the administrators: Email: ccfsecretary@cornerstone-house.org.uk

The admin team members are Mary Douglas, Kenneth and Maria McMahon, Pauline McHugh, and Teri Smith.

Poppy Appeal

An impromptu collection during Remembrance Sunday for the Poppy Appeal raised around £48.00. The money will go to support thousands of serving and ex-service people in the UK remembering that:
"For our tomorrow, they gave their today."
