What Does Xmas Mean to you?

Will it be chestnuts on an open fire  
And Jack Frost nipping at your nose  
Or worse, the rattling of Tesco's tills  
And shopping till you drop for clothes

~~

The hustle bustle and pressure  
Being drawn into a conveyor belt too  
Some spending on gifts they cannot afford  
And the air all around you turning blue

~~

Ungrateful children on whom you've spent your all  
Forever craving more and more  
And your mother in law's face will it fall  
If you've given her the same the year before

For some, there is no Jolly Merries  
No peace on earth for man  
The world is full of corruption  
This wasn't the Xmas plan

~~

For you will it be jolly bah humbug  
Maybe your face never leaving the oven  
As you'd cook for an ungrateful multitude  
And the weans moaning at what ye are having

Some wish they were far away places  
Where this false Xmas didn't exist  
For the true meaning of the birth of the Saviour  
Has gone further and further amiss

~~

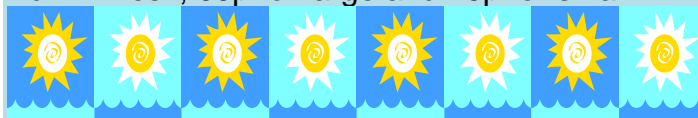

So let's put the **Christ back in Christmas**  
A day meant to celebrate His birth  
And banish all wars with other Nations  
Only then will there be Peace on Earth
