CORNERSTONE CHRISTIAN FELLOWSHIP

MARCH 2013

FOCUS: THE PRAISE AND WORSHIP TEAM

ISSUE NO: 9

Freedom to Worship the Lord

By Linda Quinn

What a joy it is to have the gift of music and a blessing to be able to use it and return it weekly in praise ministry giving glory and praise to God!

It is the vision of Cornerstone's Praise and Worship Team "to see people set free in their worship". We aim to have believers give themselves to God in abandonment holding nothing back not just during fellowship but in every aspect of their Christian life.

We desire to be an encouragement to get into God's presence and adore Him through music and song.

I believe that the team works and bonds very well together. This comes from having Jesus as our focus and the Centre of our lives. Indeed, it is a delight when brothers and sisters live in harmony!

Over the past year, we studied and prayed through a worship central course which brought us closer to God. It gave

us insight into how things should develop, how God would have us to worship Him and how we should encourage others in worship and praise. The secret is not about the music, the song or the band. It is all about the heart attitude towards God.

Ever since this revelation, the team have been praying and seeking the Lord on how we can encourage movement within our worship time together. We thought of using flags and banners. Some folks have already shown interest in being part of Cornerstone's very first choir.

It may seem radical for some, but it is biblical expression of our love to God. The call is still open, so watch this space!

We ask that the Fellowship continue to pray for the spiritual and the physical health of the team members and for profound inspiration to motivate God's people towards greater freedom in our worship.

"Make a joyful noise to the Lord, all the earth. Worship the Lord with gladness; come into His presence with singing." (Psalm 100:1, 2)

Step Out of Darkness

by Craig Murray

I thought for years
Faith wasn't easy to have
But things and I have changed.
I've taken a step
Out of the darkness
There've been times when I felt
I was in chains
When temptation was so hard to fight
I'm stronger now
I've taken a step out of darkness
These days I'm not afraid of the Light
With you on my side
I feel something
I can take on anything
I've taken a step
Out of the darkness and into the light.
Once my soul was up for sale
But now with your love to protect me
I can't fail
I've taken a step out of the darkness.
These days I'm not afraid of the light.
