## Cornerstone Care Team

I have recently become increasingly aware that there are a number of people within the fellowship who are in need of some practical support. Whilst a number of people have been helping out when they have become aware of a need, I would like to structure this so that everyone can receive the appropriate support and more people can have the opportunity to share in providing this care.

In order to take this forward, I have asked Mary Douglas (church secretary) to coordinate this ministry.

Some examples of recent care being provided are: Lifts to church and to hospital appointments, collecting shopping, cutting grass, home repairs/odd jobs, simple visiting. This is not an absolute list and will depend on the needs within the fellowship at any given time,

If you would like to help out in this way, please give your name to Mary and if you know of anyone within the fellowship needing support please also make this known to her.

Obviously the more people who join this team, the greater support can be given, the less demands are made on few people, and the more we can joyfully serve one another.

The instructions of Jesus in John 13:34 - 35 were: "A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another."

*Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers. Galatians 6:10*

Why not have a family day out at Creation Fest on Saturday 27<sup>th</sup> August. There are activities for all age groups, including football, skating, music and Bible workshops.

On Sunday 24<sup>th</sup> July we said goodbye to Kenneth and Maria who are now on their way to their new home in the Philippines. They have been a big part of Cornerstone in recent years and have contributed to many different ministries including setting up the Library and running the monthly book club.

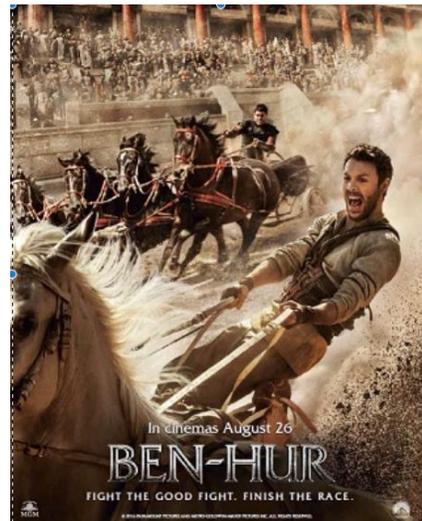

We really will miss them and pray that God will bless them and lead them into the new good work that he has prepared for them in the Philippines.

In order to keep producing our monthly Newsletter we need to have as many contributions as possible from Cornerstone members.

If you have any news to share or interesting/thoughtful articles that could be included please submit these to Mary Douglas, either in person, via the Admin Desk, or by email to

[52marydouglas@gmail.com](mailto:52marydouglas@gmail.com)

Please ensure that this is done at least a week before the Newsletter is due to be published.
