The library is now open again and anyone using it can just record books taken out/returned in the folder provided at the library.

Cornerstone Praise Night

Bring a teddy to church day – update from Marie:

Last month the creche asked everyone to bring their teddy to church and also a small donation. The total collected was £155.18 and will be going to Robin House Children's Hospice in Alexandra. Robin House supports children with life limiting illness who will die before adulthood. It provides respite and counselling and continues to support families following the death of a child. The service they provide is free of charge to families and is a very moving and beautiful resource for the children and their families. I will be meeting with someone who works in Robin House within the next few weeks and will give the monies raised.

House Groups 2018/2019

This year the selection for House Groups will be a little different, there will be 4 different themes to choose from and you can choose which House Group you would like to attend. All the information will be available 2nd week in August when everyone has returned from holiday and will be intimated on the Sunday morning.
