THE WORD OF GOD IS MOVING

LIVING IN AN ENVIRONMENT THAT IS CONTINUALLY COMING AGAINST THE SCRIPTURES, THERE IS NO HOLDING BACK GOD'S WORD EVEN AGAINST OPPOSITION. CHECK OUT THIS ARTICLE VIA *CHRISTIAN POST*:

Evangelist Greg Laurie's Southern California Harvest went ahead this past weekend even after billboards advertising the event were taken down over complaints about the Bible.

In its 29th year over 100,000 people attended the three-night evangelism crusade. The event faced some resistance in the weeks leading up after billboards promoting it were removed because they featured Laurie holding up a Bible.

In response, Laurie called on attendees to bring their Bibles in order to devote time each night for everyone to hold up the holy book and proclaim their belief in the Word of God. He began his Friday night sermon by holding up his Bible to the crowd and proclaiming, "This is the book."

"How many of you brought a Bible with you tonight? Grab your Bible. Hold your Bible up," Laurie told the crowd. "We are not ashamed of the Word of God. This message has been sent to us from Heaven, given to us in a book and everything you need to know about God is right here in the Bible. No wonder people don't want it displayed on a billboard or anywhere else."

"But here is the bottom line, "God has given us a message, that we all need to hear tonight we are going to get from this book."

As Laurie ended each night of Harvest with an invitation for those who want to accept Christ in their lives to walk down to the field, as many as 9,260 people made professions of faith during the weekend.

Isaiah 55:11

So is my word that goes out from my mouth:

It will not return to me empty,

but will accomplish what I desire

and achieve the purpose for which I sent it.
