"HERE TO HELP SCHEME"

What is the 'Here to Help' Scheme?

Cornerstone House Centre is assisting individuals and families in Greater Cumbernauld who are experiencing financial hardship or poverty during the winter of 2022-23 as a result of the cost of the living crisis.

Sadly, the rising cost of living has resulted in a major increase in the number of people from Cumbernauld, Kilsyth, Northern Corridor and surrounding villages that are struggling to keep their home warm at a reasonable cost and purchase essential food items on a daily basis.

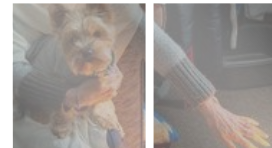

Whether you are struggling to pay bills or are concerned about food and rising energy costs, Cornerstone House Centre has a range of voucher and other practical supports available to help local citizens cope at this difficult time.
